

Countdown to Christmas VII

#It's just six days till Christmas... I hope my true love gives to me...

A special video portrait.#

Looking for that one-of-a-kind gift for someone special? Our Face to Face video portraits will be sure to delight your loved ones and be the standout present at any holiday gathering.

Here is all it takes:

- Select a series of photos featuring the same individual.
- Headshots or annual school photos work the best
- Organize them in chronological order
- Choose a song
- Bring everything to us

We will deliver back to you a “photo/video” where the subject will seem to grow into his older self in a matter of seconds. Instead of cutting from picture to picture, each photograph will morph into the next one.

We’ve made these for various occasions:

- Graduations
- Birthdays (sweet sixteens especially)
- Engagement parties
- Anniversaries
- Celebrations of life

Whatever the occasion, a Face to Face is a special way to commemorate the passage of time and a loved one’s journey through it.
